Behance    📁 Design Portfolio

Experienced UX professional balancing thoughtful design with business requirements & user experience. Embraces continuous learning with courage, adapting to AI advancements and emerging technologies.

### PROFESSIONAL EXPERIENCE

#### Fluidesigns

*Senior UX Designer*

Jan 2023 – Apr 2025 | Remote

- **Process Expertise:** Directed end-to-end UX by conducting user research, identifying pain points, defining problem statements, and delivering user-centric designs that improved task completion and aligned with business KPIs — including stakeholder interviews, journey mapping, prototyping, and usability testing.
- **Design Leadership:** Led 14+ projects across B2C and B2B sectors, driving iterative processes that balanced user needs with business objectives to create impactful user-focused outcomes.
- **Cross-Functional Collaboration:** Partnered with stakeholders, PMs, and developers to ensure smooth handoffs and consistent user experiences, achieving 95% stakeholder satisfaction.

*UX Design Intern*

Oct 2022 – Jan 2023 | Remote

- Developed an EMR platform centralising cancer patients' medical histories to eliminate the need for repeated records across hospitals. Conducted field research in Vadodara and Arunachal Pradesh to ensure the platform addresses real clinical workflows.
- Received Best Communicator award (2022) for outstanding design communication skills.

#### Ozibook, UI/UX Design Intern

Jul 2022 – Oct 2022 | Remote

- Contributed to building OziGen's EdTech MVP by conducting user research to identify student challenges in finding trustworthy teachers. Designed wireframes that enable students to explore teacher profiles and access free resources, helping them make informed learning choices.

#### Cognizant

*Quality Assurance Engineer*

Aug 2020 – Jun 2022 | Gurgaon

- Achieved 99% bug-free product testing through UI validation and collaboration within an Agile environment. Initiated the shift from manual to automated testing, improving efficiency and accuracy.
- In the latter part of the role, I transitioned from QA to UX contributor, partnering with designers on user journey mapping, information architecture, and flow optimization for responsive platforms. Contributed equally to brainstorming sessions and design strategy development.

### SKILLS

Figma • Design Thinking • Wireframing • User Research • Adobe XD • Competitive Analysis • Prototyping • Journey Mapping • Information Architecture • User Experience Strategy • User Flows • Usability Testing • Sketching • Design System • High-Fidelity Mockups • Web & Mobile Design

### EDUCATION

**B.Tech (CSE), Graphic Era Deemed To Be University**

2016 – 2020 | Dehradun
